Warren County United Way

When you give to Warren County United Way you invest in these community impact strategies:

Providing Basic Needs_____

Programs that provide short-term solutions for the basic needs and other essentials for living.

Fostering Health & Wellness_____

Programs that address specific health and wellness conditions and supports people working to change their lives.

Supporting Families and Individuals_____

Programs that promote the enhancement of healthy life styles in our community.

Nurturing Children & Youth_____

Programs that help children and youth reach their individual potential.

Building Strong Communities_____

Programs and partnerships that promote volunteerism, community involvement, enrichment, diversity, and self-sufficiency.

If you would like to support us with your time, talents, or contributions, please call us at (513) 932-3987. Join hundreds of your neighbors who work together to improve the lives of Warren County families. It's "what matters."
